U.S. SECURITIES AND
EXCHANGE COMMISSION

ADMINISTRATIVE PROCEEDINGS

GEORGE C. KERN, JR.

Pursuant to Rule 17(c) of its Rules of Practice, the Commission has determined, on its own initiative, to review the initial decision by the administrative law judge in the matter of George C. Kern, Jr., including, without limitation, all issues of fact and law that were raised.

CIVIL PROCEEDINGS

SHELDON S. SOMERMAN AND MONROE WELL SERVICE, INC. ENJOINED

The Philadelphia Regional Office announced that on December 29 Judge VanAartsdalen, U.S. District Court for the Eastern District of Pennsylvania, entered a Final Judgment of Permanent Injunction against Sheldon S. Somerman and Monroe Well Service, Inc., enjoining them from future violations of the registration and antifraud provisions of the securities laws. Somerman and Monroe Well Service consented to the injunctions without admitting or denying the allegations in the Complaint.

The Complaint alleged that defendants were involved in 106 limited partnership offerings between 1979 and 1985 to finance the drilling of developmental oil wells. In connection with 35 of the offerings made during 1985, Somerman and Monroe Well Service made false and misleading statements of material fact and omitted to state material facts concerning the financial obligations of Somerman's oil drilling companies, the use of investor proceeds to repay outstanding bank obligations, liens placed on limited partnership oil wells, the "dry hole" replacement policy, and the history of insufficient oil production. The Complaint further alleged that defendants failed to register the limited partnership offerings with the Commission. (SEC v. Sheldon S. Somerman and Monroe Well Service, Inc., USDC EDPA, Civil Action No. 88-9841). (LR-11955)
